

Located in Brussels, the Circle U. Office supports the alliance's strategic development and daily operations. It connects our nine member universities, facilitates governance, manages funding schemes, and builds bridges with EU partners and stakeholders. Established in 2021 following the creation of Circle U.'s legal entity under Belgian law (AISBL), the Office plays a key role in turning our shared vision into action.

Our missions

1 Operational

- Supporting the project's activities
- Developing the alliance's activities
- Monitoring and evaluating the alliance's progress

2 Executive

- Ensuring a well-functioning governance
- Supporting the different governing bodies
- Facilitating decision-making

3 Strategic

- Ensuring the fulfilment of our mission
- Representing the alliance externally
- Communicating its activities

Our missions in action

C onnect

We bring together **universities, students, researchers and staff** to enhance collaboration across borders and disciplines.

I nnovate

We support **new ideas, projects and partnerships** that strengthen European higher education and research.

R ealise

We ensure **smooth coordination, transparent governance and consistent support** for our alliance and members.

C are

We nurture cooperation with **respect, inclusion and a shared sense of purpose**.

L earn

We promote **continuous improvement** through monitoring, evaluation and shared experiences.

E xplore

We seek **new opportunities and partnerships** to expand Circle U.'s reach and impact.

U nite

We act as **one community**, working together toward a more open, sustainable and engaged European university.
